Checklist of Up-to-Date Pages

(This checklist will be updated with the
printing of each Supplement)

From our experience in publishing Looseleaf Supplements on a page-for-page substitution basis, it has become evident that through usage and supplementation many pages can be inserted and removed in error.

The following listing is included in this Code as a ready guide for the user to determine whether the Code volume properly reflects the latest printing of each page.

In the first column all page numbers are listed in sequence. The second column reflects the latest printing of the pages as they should appear in an up-to-date volume. The letters "OC" indicate the pages have not been reprinted in the Supplement Service and appear as published for the original Code. When a page has been reprinted or printed in the Supplement Service, this column reflects the identification number or Supplement Number printed on the bottom of the page.

In addition to assisting existing holders of the Code, this list may be used in compiling an up-to-date copy from the original Code and subsequent Supplements.

PREAMBLE

We, the people of Shelby County, Tennessee, in order to perfect the structure and enlarge the powers of our county government, to insure that it is just, orderly, efficient, and fully responsible to the people, and to secure the benefits of home rule and self-government for Shelby County to the fullest extent possible under the Constitution of the State of Tennessee, do adopt this charter as the fundamental law for the government of this county.

ARTICLE I. POWERS AND FUNCTIONS**Section 1.01. Powers and functions.**

The government of Shelby County is vested in a mayor-county commission form of government and shall exercise any power or perform any function which is not denied by the Constitution of the State of Tennessee. It is the intent of this charter that the limitations on the powers of county government shall be strictly construed, and that grants of power to county government shall be liberally construed.

NOTES:

1. Prior government was established by Ch. 237, Pvt. 1911. This provided for a legislative branch known as the county court and an executive branch composed of three commissioners; one each for the department of workhouse and turnpike roads, the department of county health and the department of purchasing and finance. These commissioners constituted the "board of county commissioners," which should not be confused with the present board of county commissioners provided for by Ch. 175, Acts 1979, in response to constitutional amendment. The present board is the successor to the county court.

2. Under the law prior to 1911, the county court served as the legislative branch and its chairman had most of the executive functions of government. Some of these functions were exercised through separate commissions, which were abolished by Ch. 237, Pvt. 1911.

Section 1.02. Private and local affairs.

With regard to private and local affairs, all lawful powers are vested in the mayor, county commission, and elected county charter officers, except those powers reserved to the judiciary. This investment of legislative, executive and other powers and duties shall be as full and complete, and the authority to perform

or to direct them as broad as it is possible to delegate or confer, it being the intent to invest in the government of Shelby County every authority, power, and responsibility for the conduct of the affairs of the government of Shelby County, including the powers to adopt and enforce resolutions and ordinances.

NOTES:

1. According to current interpretations, resolutions of the county commission do not have the force of law. County attorney opinion, February 2, 1981(Ryder). Counties, as agencies of state government, have only those powers specifically delegated by the State. McQuillen, Municipal Corporations, secs. 1.28, 1.46.

2. Amended pursuant to voter referendum of 8-7-08, effective 9-1-08 (Ord. No. 361, 6-2-08).

Section 1.03. Public corporation powers.

The government described herein shall be a public corporation vested with any and all powers which counties are, or may hereafter be, authorized or required to exercise under the Constitution and general laws of the State of Tennessee and any and all powers and duties of such county which are required or authorized by private acts effective on the date of ratification of this charter, as fully and completely as though the powers were specifically enumerated herein.

Section 1.04. Public corporation rights.

The government of Shelby County shall be a public corporation, with the right of perpetual succession, capable of suing and being sued, and capable of purchasing, receiving and holding property, real and personal, and of selling, leasing, or disposing of the same to the same extent as other counties.

Section 1.05. Rights reserved to the people.

No provisions of this charter, and no action by any officer or employee of the county acting under its authority, shall infringe upon rights, privileges and powers reserved or guaranteed to individual persons or to the people by the Constitution of the United States of America or the Constitution of the State of Tennessee.

ARTICLE II. LEGISLATIVE BRANCH**Section 2.01. Legislative powers.**

The legislative power of the county is vested in the board of county commissioners of Shelby County, hereinafter called the legislative branch. The legislative power includes all lawful authority to adopt ordinances and resolutions governing the operation of government or regulating the conduct and affairs of the residents of the county, to adopt the county budget, to fix the county tax rate, to make appropriations of county funds for all legal purposes, and to exercise all other authority of a legislative nature which is vested in the county by the Constitution, general statutes, or special, local or private acts of the General Assembly or this charter. The legislative branch may adopt any ordinance or resolution which is not in conflict with the Constitution or general laws of the State of Tennessee, or this charter.

NOTES:

1. Name—Ch. 934, Acts 1978 changed all references to county quarterly court to county legislative body. T.C.A. § 5-5-101 [5-5-101].

2. Name—Ch. 165, Pvt. 1979—changed name to board of county commissioners of Shelby County.

3. Authority—T.C.A. § 5-5-101 provides:

"(a) The county legislative body is established as a basic legislative unit of each county of this state; provided, that the provisions of this subsection (a) shall not apply to counties that have already adopted the metropolitan form of government.

"(b) Effective September 1, 1978, except in any county organized under the consolidated government provisions of the Tenn. Const., article XI, § 9, the quarterly county court, county council, and any other forms of county legislative bodies are abolished and all legislative powers that remained with such court, council, and other forms of legislative bodies are hereby vested in the county legislative body. The county legislative body is further vested with all legislative powers and duties vested in justices of the peace prior to May 11, 1978.

"(c) References to the quarterly county court, county council or other county legislative body appearing elsewhere in this code shall be deemed references to the county legislative body.

"(d) References to the magistrates, justices of the peace, members or membership of such court, council or body appearing elsewhere in this code shall be deemed references to the members of the county legislative body."

Section 2.02. Other powers.

A. The legislative branch is vested with all other powers of the county not specifically, or by necessary implication, vested in some other official of the county by the Constitution or by statute

not inconsistent with this charter. In exercising its legislative functions, the legislative branch may employ, subject to budgeting limitations, special counsel, assistants, and other employees. However, neither the legislative branch nor the chairman of the legislative branch shall exercise executive, administrative or judicial powers or perform any functions of the mayor-county commission government delegated or assigned by the terms of this charter to other offices, branches or departments of county government. Whenever any public or private act of the state purports to authorize the county court or county commission or its chairman to perform any administrative or executive act or function, then such act or function shall be performed by the county mayor.

B. The county commission shall provide annually for an independent audit of the accounts and other evidences of financial transactions of the county and of every county office and such special audits as deemed necessary. This audit shall be made by a certified public accountant or by a firm of certified public accountants designated by the board of county commissioners, and no individual auditor or member of an auditing firm so designated shall have any personal financial interest, direct or indirect, in the fiscal affairs of the county or of any of its offices. The designated certified public accountants shall be qualified by training and experience and shall have sufficient staff to perform the audit. The individual certified public accountant or firm of certified public accountants may be employed to perform the audit for the term set by resolution.

C. By ordinance, the board of county commissioners shall establish purchasing procedures and/or rules and/or regulations for all purchases, sales and contracts for services through competitive bids or otherwise. Such ordinance may provide that the county mayor may promulgate rules and regulations to administer the purchasing procedures established by ordinance. The purchasing rules and regulations shall apply to all county officials elected pursuant to this charter and shall only apply to clerks of courts, if not contrary to state law.

D. The board of county commissioners shall have the sole power to grant franchises by ordinance, provided no such franchise shall be granted for a period to exceed 30 years.

E. No sale of real property or any interests therein shall be valid unless approved by the resolution of the board of county commissioners.

F. By resolution or other method provided by law, the board of county commissioners shall have the power to borrow money and to issue bonds and notes and other evidences of indebtedness of the county.

NOTES:

1. Under prior law, the county court consisted of the justices of the peace. In addition, when sitting as the county court, the justices had authority over many matters now assigned to probate court. The probate jurisdiction was removed by Ch. 86, Acts 1870. The justice of the peace jurisdiction was removed to general sessions court by Ch. 123, Pvt. 1941. Members of the county commission retain the power to perform marriages pursuant to T.C.A. § 36-3-301. See T.C.A. § 5-5-101.

2. The chairman of the county court had certain administrative functions under prior law, which are abolished here.

3. See Ch. 486, Pvt. 1917, clerical assistance to county court. See § 4-2 of the Shelby County Code of Ordinances, clerical assistance to board of county commissioners.

4. In its interpretation of Chapter 260 of the Private Acts of 1974 ("Restructure Act"), the Tennessee Court of Appeals, in the case of *Shelby County v. Blanton*, 595 S.W.2d 72 (Tenn. Ct. App. 1978), held as follows:

" . . . the signing of bonds, tax anticipation notes, and bond anticipation notes is an integral part of the legislative function of issuing bonds, and in the absence of a specific provision giving the county mayor authority to sign those instruments that power will not be extended to that official by implication." The county mayor's authority to sign bonds and notes is set forth in § 3.03K of the Shelby County Charter.

5. Subsections B and C—Amended pursuant to voter referendum of 8-7-08, effective 9-1-08 (Ord. No. 361, 6-2-08).

6. Subsection E—Lease of county-owned property must be approved by resolution of the board of county commissioners. (Op. Co. Atty. No 08-032, 8-7-08.)

Section 2.03. Membership and election.

A. The board of county commissioners of Shelby County shall be the legislative branch of Shelby County government, whose members shall be elected by the people for such terms and from such districts as may from time to time be provided by law.

B. The first board of county commissioners under this charter shall consist of 11 members elected from such districts as provided in section 7.11 of this charter and thereafter as the commission may provide. The number of commissioners shall not

be less than nine nor more than 25 and the board of commissioners may alter the number of commissioners and the boundaries of districts only by ordinance, provided that no change shall be made in either the number of commissioners or their districts after January 1 of the year in which elections for the commission are to be held.

C. No person shall be eligible to serve as a member of the board of county commissioners unless having attained the age of 18 and are registered voters in the district from which they seek election on the date they filed their nominating petition and have been residents of the county for one year prior to the election.

D. The board of county commissioners shall adopt its own rules of order and procedure. In all elections to fill positions, the board of county commissioners shall adopt a procedure providing for nominations from the commissioners and the public and a roll call vote of the commission in which each commissioner shall vote for one nominee by name. All persons shall be elected by a majority vote of the commission. If no nominee receives a majority on the first vote, the commission shall hold subsequent votes considering only those nominees receiving more than such number of votes as the commission may determine, with said number determined in advance by resolution.

E. In any election to be filled by the board of county commissioners, if any member of the board of county commissioners accepts the nomination as a candidate for any countywide office filled by a vote of the people or the county commission, such member shall automatically become disqualified to vote to fill that office. Acceptance of a nomination by a member of said body will mean that the nomination [was made in the presence of the nominee, and the nominee allows the nomination to] cease and a roll call begun upon the list of nominees without removing that said name from nomination. If a member's name is placed in nomination, the chairman of the board of county commissioners shall specifically ask that person if they desire their name to remain in nomination prior to the vote beginning on the list of nominees. If the nominee states "yes," then the nominee shall

take a seat in the public area of the meeting chambers. If the member is elected, his office on the board of county commissioners shall be declared immediately vacant.

F. No member of the board of county commissioners shall be eligible to hold any other local, county, state or federal compensated elective office so long as they hold the office of Shelby County Commissioner. If a county commissioner assumes another compensated elected office, the county commissioner shall vacate the county [commission] office within ninety (90) days and the vacancy shall be filled in accordance with Article II, Section 2.11 herein. Provided, however, anyone who currently holds another compensated elected office may run for the county commission so long as, if elected, that person resigns the existing elected office within ninety (90) days of his election as a county commissioner. This amendment shall become effective on August 31, 1994, and shall be applicable to all those commissioners taking office on that date and thereafter.

G. No county mayor nor any member of the board of county commissioners shall be eligible to be elected to, or hold the office of, county mayor or county commissioner for more than two consecutive four-year terms. Provided, however, if an individual is appointed to fill and unfilled term either for mayor or county commissioner, this term shall not be counted as part of the two consecutive elected terms.

3. Subsection E—Amended pursuant to voter referendum of 8-7-08, effective 9-1-08 (Ord. No. 361, 6-2-08).

Editor's note— The Tennessee Supreme Court, on March 29, 2006, in the case of *Bailey, et al v County of Shelby*, 188 S.W. 3d 539 (Tenn. 2006), held 1) that the term limit provision contained in Section 2.03G of the Shelby County Charter is authorized by T.C.A. § 5-1-210(4) and 2) that T.C.A. § 5-1-210(4) does not violate Art. VII, § 1 of the Tenn. Constitution.

Section 2.04. Commissioner's salary and expense.

A. The board of county commissioners may set their own salary and expense accounts. The compensation allowed any member of the county board of commissioners, whether salary,

expense or otherwise, shall not be raised during their term of office, and shall not be increased or decreased for the next term of office after January 1 of the year in which the county commission is to be elected for said next term.

B. Notwithstanding Article II, Section 2.06C(3)(e) herein, the compensation of the chairman of the board of county commissioners shall be determined annually by resolution and shall be set prior to the election of the chairman.

NOTES:

1. Prior executive power rested with the board of county commissioners, Ch. 237, Pvt. 1911. That board was not a legislative body. See Note 1 to sec. 1.01.
2. The Court of Appeals in the case of *Shelby County v. Leonard Ray Blanton* held in an opinion of July 25, 1978, "that the selection of a county depository is an administrative function and that the county mayor is the person authorized to select the depository." However, the mayor must follow the provisions of Chapter 481, Private Acts of 1917 except where the act mentions the county court or its chairman; in those sections the mayor is to be inserted. Chapter 281, Private Acts of 1917 is codified in §§ 13-31 through 13-36 of the Shelby County Code of Ordinances.

The veto shall be exercised and may be overridden by the same procedure as provided in section 2.07. Provided, however, the mayor shall not have line item veto over the budgets of the elected county officials and clerks of courts.
- H. Nominate members of all boards, authorities and commissions, and their appointment shall be subject to approval by resolution of the board of county commissioners. All such appointees shall be residents of Shelby County at the time of their appointment and at all times while serving on said board, authority or commission. The mayor shall submit any such nomination within 60 days of the vacancy to be filled.
- I. (1) Have the authority to remove and discharge the members appointed in paragraph (H) above for good

cause shown, subject to the approval by resolution of the board of county commissioners of Shelby County.

- (2) In addition, the chairman of the board of county commissioners of Shelby County is hereby empowered to commence said removal procedures if the county mayor shall fail or refuse to act within ten days after written demand by the chairman. Any designee appointed by the county mayor under the provisions of this section shall be appointed to serve in that capacity for at least one year, or the remainder of the term of office of the county mayor, whichever is less. During such periods of appointments, either the specified designee or the county mayor may exercise the voting powers granted by this section. However, at any meeting attended by the mayor, only the mayor shall exercise the voting power.

The county commission may adopt a resolution requiring all offices which receive appropriations

from the county government to submit a multi-year budget, unless contrary to state law. However, it is within the discretion of the county commission to adopt said multi-year budget. The county commission may also adopt by resolution any other budget procedures deemed necessary.

C. All offices which receive appropriations from the county government shall adhere to the budget as finally approved, both in total and in line item detail, except that the county mayor shall have authority to approve transfers between line items within the total amount of each category of personnel and operation-maintenance as set forth in the approved budget for any such office, division or department of county government. However, the board of county commissioners, in the appropriation resolution may authorize the county mayor to approve transfers from line items in personnel categories to operation-maintenance categories and vice versa, for any such office, division, or for any department of county government. - i. All sealed bids received shall be open publicly at the time and place fixed in the advertisement.
